Claims rip - off on tax rebates

Councillor C. A. Milligan has charged that there was a $50,000 rip off in the recent tax rebate by Napanee Town Council based on new grants received this year from the Ontario Government and that Napanee taxpayers have been deprived of this amount.

Councillor Milligan made the charge at the January meeting of Napanee Council Monday night and used his own tax bill as an example. "I got a tax refund of $447.63," said Councillor Milligan and at nine per cent interest for nine months, it cost me an extra $30.21 to pay my taxes."

A statement by finance committee chairman, Reeve Glenn Herrington that the municipal tax rate had been reduced by a total of 25 mills was challenged by Councillor Milligan. "I was criticized for wanting to reduce it at the start," he said. "Five mills of that came from the school board and then there was the extra police grant. We didn't reduce it (the mill rate) at all."

In an interview with The Beaver, Councillor Milligan had earlier emphasized that council "struck the rate high enough to cover all expenses." On this ground, he challenged Reeve Herrington's statement made at the December meeting of council that the taxpayers had been saved $12,150 which amounted to the interest on $135,000 which Reeve Herrington said the town would have had to borrow until the money was received from the Ontario Government.

At the council meeting Monday night, Councillor Milligan alleged that the town had actually received a total of $155,000 in new grants and returned some $117,000 to the taxpayers. The finance committee retained $38,000 he said. Amid interruptions, Councillor Milligan said, "Of that, $20,000 went to the chairman of streets."

Councillor Milligan had earlier complained to The Beaver that this amount was used to pave a part of Thomas St., not included in the budget and that because a proper survey of sewer locations was not taken that part of this paving would have to be ripped up.

Reeve Herrington said he regarded the criticism as a challenge to his position as chairman of finance. "I am not going to sit here and be criticized again all year," he said in asking Mayor Lorne Smart to call for a vote to determine if council wished him to continue in the position of chairman of the finance committee.

"I am not going to put any motion at this time. There is no reason to change this as council has agreed that all chairmen remain the same. The cheques have been sent out. We did what we said we would do," Mayor Smart said.

"I don't do business on assumptions," Reeve Herrington said with reference to

Main events of 1973 in review

This edition marks the beginning of a summary of some of the events recorded in the pages of The Napanee Beaver during 1973. A glance through this roundup will recall to readers many important events in the life of the community and its people that have occurred during the past 12 months. Only a few of the many items which were published are recalled here. The date shown for each is the date of the issue in which the items or events were reported in The Beaver.

JAN. 3: One of the original owners of the Lennox Trailer Court has taken over the property and responsibility for providing services to the 24 trailers and mobile homes located on it. Mrs. Rita Armstrong, widow of the late Harold Armstrong, has told The Beaver that the lease held by Norman A. Robertson was not valid because it did not have her signature on it, which was necessary to make it legal.

A recount by Judge Gerald F. Smith on Dec. 20, failed to resolve a deadlock for a position on South Fredericksburgh Council resulting from a tie vote in which Steven Miller and Russell Powell each received 153 votes.

Fred Armstrong, 10, found an 1864 Confederate $50 bill while walking near the Centre St. bridge recently. He turned it over to police who returned it to him when it was unclaimed.

Mr. and Mrs. Herbert Smith, of Odessa, celebrated their 60th wedding anniversary recently amidst a houseful of family and friends who gathered to help them celebrate their Diamond Anniversary.

Birth announcements in this issue were: a daughter to Bud and Sue Jalbert, a son to Allan and Sylvia Yeomans and a chosen son to Angus and Helen Gaffney.

Deaths reported this week were those of W.W. Sutton, Alexander Moffat, Oron R. Oliver, Thomas C. Cochrane, Maude Wilbanks and Gerard E. Brennan.

JAN. 10: Napanee Town Council has received the report of the Ontario Police Commission on the operation of the Napanee Police Department. In his inaugural address to council on Monday, Mayor Lorne Smart said: "I hope the committee will recommend that this report be printed in the press in its entirety."

Saturday, the Dominion Bantam hockey team won the "B" Championship trophy at the Legion sponsored tournament in Brighton. The eight teams in the tournament were from Campbellford, Brighton, Peterborough, Napanee, Picton and Stirling.

Cafeterias operating in the three secondary schools in Lennox and Addington County had a deficit of $20,419 for the first 11 months of, 1972, according to a report of the cafeteria committee prepared for the board of education.

Casting has been completed for Eldon Poulsen's production of "The Secretary Bird" by the Lennox Theatre Guild here in February. Taking the roles will be Ron Macpherson, Bob Lawton, Mrs. Harold (Phil) Webster, Mrs. Barry (Dianne) Young and Mrs. Owen (Dianne) Pegg.

Napanee and District Curling Club is the scene of district curling competitions these days. On the week-end the club had the district teams competing in the Ontario Curling Association British Consols playdowns, which lead to the Briar.

One birth was reported this week, a daughter to Brenton and Kevin Close.

Deaths reported were those of Gladys E. Craig, William Amos King, Alfred T. Pulham and Martha H. Wilson.

T. A. TOMKOW

Lennox and Addington County Board of Education is holding its inaugural meeting for 1974 tonight. T. A. Tomkow, RR 1, Bath who has represented South Fredericksburgh Township on the board since 1971 is expected to be elected the new chairman for 1974. He succeeds John Munroe of Napanee.

BRUCE CUTHILL

Richmond Township Reeve Bruce Cuthill is the only declared candidate for warden for 1974. County Council holds its first meeting of the year next Mon. Jan. 14.

Hospital gets largest gift from auxiliary

A cheque for $15,000 was presented to Werk Poole, chairman of the Lennox and Addington County General Hospital Board of Governors on Monday by the Lennox and Addington County General Hospital Auxiliary.

This is the largest single amount donated to the hospital by the auxiliary to date. During the past year, the auxiliary contributed an additional $14,720 which was used to purchase needed equipment.

The donation received Monday will enable the hospital to acquire additional equipment for its X-ray machine. The machine will be fitted with an image intensifier which is used during the process of "screening". This gives a much clearer picture and greatly assists doctors in making an accurate diagnosis.

The money has been raised by the auxiliary through various projects during the year such as dances, the hospital auxiliary Christmas bazaar, as well as volunteer programs in the hospital such as the coffee and gift shop and the Clothes Tree store on the Market Square.

As well as the large donation this week for the X-ray machine, the auxiliary has supplied the hospital with instruments needed for diagnosis and operating procedures as well as stretchers and laboratory equipment.

Major items of equipment purchased with funds raised by the auxiliary during the past year, include: an orthopedic table; a freezer for the coffee shop; a fetal monitor; a respirator to assist breathing; an air conditioning unit; a dictating and transcribing unit; a diluter flame photometer; a croupette; a stretcher; a suction pump and several other items.

A new list of instruments needed for the hospital's instrument bank was presented by Hospital Administrator E. H. Mills at the monthly meeting of the auxiliary executive Tuesday night. This list, amounting to $3,000 includes new and replacement instruments for the operating room and laboratory.

"The women are raising an amazing amount of money," said Mr. Poole in acknowledging the cheque for $15,000. "With the Ontario Government postponing depreciation on equipment, the funds contributed by the auxiliary are of increasing importance to us."

A CHEQUE FOR $15,000 was presented by Mrs. Dennis Rodrigues, president of the Lennox and Addington County General Hospital Women's Auxiliary on Monday to hospital board chairman Werk Poole. The money will be used to purchase new equipment for the hospital.

SOUTH FREDERICKSBURGH

Approve plan for township

Approval of the Official Plan for South Fredericksburgh Township will enable the township to control development and paves the way for a zoning bylaw that will permit the implementation of the plan.

It is more than three years ago, Oct. 1970, since the plan was submitted for approval by the provincial government. Last Week, James A. Taylor, MLA Prince Edward-Lennox told The Beaver that the plan had been approved as of Dec. 27. Township clerk James Stover said that while the township still has nothing in writing, that senior officials of the Ministry of Treasury, Economics and Intergovernmental Affairs had been in touch with him and had advised that the plan had been approved.

"The approval means that we will now be able to guide development," Mr. Stover said. "It is a plan of action. Before we had nothing to control development. The plan will be backed up by a zoning bylaw now being prepared by the township's planning consultant, Dr. S. D. Lash of Kingston."

Highlights of the plan include: setting out certain lands as "hazard land" which includes all lands that have environmental hazard features such as being subject to erosion and floods, steep slopes or any other physical characteristic that leads to deterioration of the environment; the size of residential lots is limited to 60,000 square feet (approximately one and one third acres). There had been some concern last summer when the province proposed that the official plan require a minimum of 25 acres for residential lots.

An industrial area is designated along No. 33 Highway. East of the Ontario Hydro property, the land is designated deferred industrial to the boundary with Ernestown except for the Canada Cement property which is classified as quarry industrial.

Another feature is that all development along Hay Bay is frozen until the township planning board completes a study now underway in the area, dealing with future development. Until this study is completed (and it is expected to be ready by April) only agricultural development will be permitted along the Hay Bay shore.

"The zoning bylaw will spell out where council desires industry to locate," said Mr. Stover. "The zoning bylaw will put the legalities into the official plan."

Mr. Stover said that Dr. Lash has completed the first draft of the township zoning bylaw but it will not be forwarded for Ontario Municipal Board approval until the township council and planning board have studied the first draft in detail.

South Fredericksburgh Township Council met Monday night and the township planning board met last night. Mr. Stover said it was unlikely that council would be dealing with the zoning bylaw this month, until it receives the opinions and recommendations of the planning board.

Approve grants for senior citizen groups

Grants to senior citizen organizations in Napanee and Newburgh were announced Monday by Hon. Hugh Faulkner, Secretary of State, in Ottawa.

A grant of $4,715 has been approved to assist the Newburgh Senior Citizens' Club in encouraging participation by senior citizens in activities planned for them.

The Newburgh project entitled "Cultural, Social and Recreational Activities" will involve 70 people, and is under the sponsorship of the Newburgh Senior Citizens Club.

A grant of $500 is being made to the Queen Elizabeth Auxiliary of the Queen Elizabeth senior citizen apartments in Napanee to assist in sponsoring and organizing card parties, the announcement from Mr. Faulkner's office said.

JACK C. McNAMEE

A native of Smiths Falls, Jack C. McNamee is the new clerk-treasurer of Napanee. He succeeds Carson Graham who is retiring. Mr. McNamee was deputy clerk-treasurer of Whitby.

Sex Education In Schools II

The guidelines for teachers to be used when teaching sex education to the public school pupils of Lennox and Addington County contain some serious omissions.

For instance some major sources of anxiety for young boys, are not going to be brought up by the teachers at all, probably because of the sensitivity of the subjects. The only way it can be discussed in the classroom is when some boy is brave enough to ask a question. And that is going to take nerve.

But the most glaring omission in the sex education course is any mention of birth control. In a program that goes as far as to teach about venereal disease to the Grade 8 students, surely, the subject of birth control should be introduced as well.

Of course birth control is a subject still controversial among groups of our population, but that should not prevent the majority (or the minority for that matter) from learning about it. Parents who feel their children should never practice it can counsel them accordingly, but keeping them ignorant does not accomplish anything.

Birth control should be a major segment in the sex education course at least in the seventh and eighth grades. After all, in a driver education course pupils are taught to drive, but they are also told how not to cause accidents.

A Conciliatory Gesture

(The Toronto Globe and Mail)

It's a little late in the day to be talking about sweet reason— a reprieve from madness, perhaps — but whatever you want to call it, the decision by the last of the teachers to postpone their resignations until January 31 is welcome. Now, at last, there will be an opportunity to settle the dispute over wages and the Government ceiling on spending in a sane and reasonable way.

This is not to say that all reason and light has resided at Queen's Park. It hasn't. The Government should not have waited until the closing days of the session to bring in its legislation dealing with the teachers. The timing encouraged a confrontation atmosphere. But the teachers' response was such a neglect of responsibility — using students as the pawns in their dispute with Queen's Park — that it far overshadowed anything and everything else.

The postponement of resignations is a conciliatory gesture and the teachers with the 16 school boards who held out until the end deserve credit for finally making it. It is not always easy to back off while tempers are high. Their decision confirms that despite all the bad blood that has been spilled, they are still capable of exercising a sense of responsibility.

An Unprofessional Act

(The Gananoque Reporter)

While the various teachers' associations are making sweeping public appeals for civil liberties and democratic principles we would like to appeal to the teachers' moral responsibilities to students and parents.

Teachers have always carried a moral burden of being "looked up to" by students, parents and society in general.

Part of their responsibility, whether teachers consider it valid or not, is to set an example both to students and society even though this is a tall order in view of changing social conditions.

The teachers' walkout last Tuesday was a failure on the part of the teachers to meet this commitment. The action was very unprofessional for a group who have in the past resolutely insisted on being professional.

Granted the government's move to institute a retroactive policy was probably impulsive and irrational, however, the teachers' walkout was guilty of the same motives.

A public statement was issued here saying that the walkout was not a vote of sympathy for salary negotiations for boards and teachers who have not reached salary agreements. All strikes and walkouts are connected with bargaining powers for salary negotiations.

There would have been no walkout, had there been no bill 274. There would have been no bill 274 had there been no mass resignations and the mass resignations would not have been considered if all boards and teachers in Ontario settled their contracts. To us that relates the walkout with salary negotiations.

If the walkout was not intended to inconvenience local school boards, where settlements have already been reached, or the students or the parents, then why weren't the demonstrations and walkouts held on a Saturday? The answer is obvious, so why try to candy-coat the situation?

As long as teachers are regarded as examples to students and society they must encourage rational behavior among their own ranks as well as in the classroom.

LETTERS TO THE EDITOR

Mail Delivery

Deseronto, Ont.
Jan. 7, 1974.

I see by your paper that Napanee is going to have home delivery. I hope that it will be a good and fast service and much different than the service from Napanee to Deseronto.

I have a letter in front of me that was dated Dec. 19 and didn't arrive in my postal box till the afternoon of Dec. 28, - nine days.

Even with the holiday taken off it would still be a week. A small child pulling a cart up No. 2 Highway (even in snow) could have made better time.

It's about time the Postmasters at Napanee and Deseronto got together and tried to find some way of improving the first class mail over this short distance.

Youth And Education

Napanee, Ont.
Dec. 27, 1973

After reading Mr. R. A. Dodds' comments in the Kingston Whig-Standard on Thurs. Dec. 20, I don't feel that I can let him get away with his "Kids today are much better prepared to face this world than we ever were."

I realize that Mr. Dodds is not as old as I am but I will certainly put the kids of yesteryear (the hungry 30's) against to-day's, all things being equal. But Mr. Dodds, they are not equal, are they? If we took away student loans, television, exhorbitant allowances, on the job training programs, LIP grants, plus numerous other advantages that to-day's youth have that we did not, would they be better prepared?

Don't get me wrong, I am not condemning to-day's kids, they are terrific kids, and just what we have made them---for better or for worse.

FATHER OF 4,

P.S. I liked that other quote of Mr. Dodds': "There isn't a great need any longer for great skills in reading, writing and arithmetic." This, ladies and gentlemen, from the man who is superintendent of schools for the Lennox and Addington County Board of Education.

Comments On Deseronto

Deseronto, Ont.,
Dec. 28, 1973.

This is in reply to a couple of letters that were recently published in a couple of our local papers by two Deserontonians. When I first read these masterpieces, I considered they did not need to be commented on, but as this is an attack on the Ratepayers' Association, I feel they warrant consideration.

Any intelligent person who wishes to learn the truth can do so if he so desires. All he must do is attend either meetings of town council or the ratepayers and sort out truth from fiction.

Some people have one track minds and only want to believe that which suits them and their own purposes.

Some are afraid to take a stand and be counted like a man but prefer to hide behind a bush and throw stones.

The Ratepayers' Association of this town has performed a tremendous job and it was only through their efforts that we had our sewer rates reduced to one half the original rate.

Did not the mayor and some of his supporters in council say that the sewer rate could not be reduced? However now that the sewer rates have been reduced, these same men are trying to jump on the band wagon and claim these rates would have been reduced eventually. How assinine can they get?

I have resided in Deseronto for 45 years and was a member of the Public Utilities Commission for 16 years. I know how the cards are dealt in the foregoing commission as well when I ponder over the years and remember all the "bungling councils" we have had administer our local business in their "bungling deals". It is too bad that we did not have a Ratepayers' Association then. Naturally, we still have "bungling deals", for example, the fooling away of our town dock to Metcalfe Foods or rather the A and P company. However these same people like "their pound of flesh" as well.

When the town council installed a storm sewer across one corner of the property, they had to obtain an easement to cross one small corner of the same property.

When sewers were installed in this town, we were given to understand that we had a limited time to connect to same. What about all those

FOOD FOR THE FED-UP

Are We Doomed?

By
REV. GORDON C. SMYTH

Multitudes are cynical or bitter. Others are giving in to futility or despair. History is the tonic we need. We could use a large dose.

Centuries before the birth of Christ, the land of Judah was in serious trouble. Its moral structure trembled. "If the foundations are destroyed, what can the righteous do?" The Psalmist had an answer to his deploring and oft-repeated question. The eleventh Psalm was an utterance of deep faith justified by subsequent events.

I find no difficulty in believing that young people in the fourteenth century faced a more teeter-totter or terrifying future than their present counterparts. "The Black Death" wiped out from a quarter to three quarters of the entire po[illegible]tion of Europe.

Somewhere, indeed, for every generation there has been the threat of war, disease, famine, despotism, or the breakdown of religious belief. Tune in on any period of history and you hear people asking, "If the foundations are destroyed, what can the righteous do?"

One answer that has stood the test of time is that your life here on earth is but a fragment of your potential life. You were made for eternity. Confronting the nuclear age with this conviction is not only a powerful weapon against fear, but has other positive aspects.

For instance, when William Faulkner was awarded the Nobel prize for literature, he said that he renounced the pessimistic estimate of man. "I refuse to accept it. I believe man will not merely endure; he will prevail. He is immortal because he has a soul, a spirit capable of compassion, sacrifice and endurance."

Thus another answer that has stood the test of time is that you were made for your fellow man. "Gentlemen", Lord Shaftesbury used to say to his political colleagues, "you must study bigger maps". 'For God so loved the world....." (John 3:16-17). That is our map!

Some years ago in Brooklyn, Dr. Richard Salter Storrs of the Church of the Pilgrims was asked by a little boy to go to his home where his sister was ill. He found the place called "home" a wretched one-room basement in a tenement house. The mother had died. The father had disappeared. The fifteen-year-old sister, who had been bread-winner and mother, lay in the last stages of illness.

Dr. Storrs gave her the comfort of a pastor's words. But she kept asking, "How will God know that I belong to Him?" Finally the inspiration of the correct answer struck the minister.

He looked down at the tiny, crucified creature, saw on the ragged blanket the work-worn hands that had done the cooking and brought life to that family. He said, "Show God your hands. He'll know you belong to Him."

The community needs church members who live their creed. The world is waiting for a generation that knows its map and responds in love. Long ago the Psalmist refused to take to his heels during the crisis in Judah. He knew that he could not run away from his conscience. No more can we.

The foundations are trembling, but they cannot be destroyed. We have work to do. So let us get at it. Then, at last, we will not be ashamed to show God hands scarred by such acts of mercy as made the crucified and risen Lord known and triumphant.

In addition to achieving greater efficiency in administration and use of funds, the amalgamation of parks, recreation and the Napanee Arena under one committee might even result in more grant money from the Ontario Government, William Pierson, chairman of the Recreation Committee told Napanee Town Council last week.

Mrs. Menzo Grooms, West St., Napanee, recently celebrated her 90th birthday at a party held Dec. 17 at Napanee Royal Canadian Legion Hall with many relatives and friends attending.

Births reported in this issue were: sons to Mr. and Mrs. Malcolm Isbester and Bill and Susan Eaglison.

JAN. 24: A 1973 budget that will not cause a mill rate increase at the county level is the objective of the Lennox and Addington County Board of Education. We are putting out good intentions in the form of a motion, said finance committee chairman George Salsbury in placing the recommendation before the board. "It was the feeling of the people before the election that ratepayers feel they are paying all the taxes they can," said Mr. Salsbury.

Lennox and Addington County Board of Education decided Monday night to place the old Cloyne public school building in the hands of a real estate broker despite the strong objections of trustee Roy Holtzhauer who represents the northern part of the county on the board.

Michael McLaughlin, 23, Napanee, was hospitalized following a snowmobile accident on the Napanee River. His machine ran into a channel marker about two miles west of here. A passenger, Larry Walmsley, 18, of RR 1, Odessa, was treated for facial injuries. The machine was wrecked. Another snowmobile went for help.

The Napanee Pioneer Square Dance Club entertained the residents of Lenadco to modern square dancing last Wednesday with the calling and music by Doug Thomlison.

Scott Finlay, the son of Mr. and Mrs. Hugh Finlay, Strathcona, has been chosen as a member of the National Capital Ski Division Ski Team. Six boys and four girls are chosen for this team, and he was the only boy outside the city of Ottawa to be picked.

Twelve deaths were recorded this week. They were: Freda Green, Elwin DeWitt, Berle Brown, Sidney B. Paul, George G. Craigen, Miss Leah Russell, Harold J. Maguire, Helen B. Trull, Evelyn Foote, George Letham, Catherine M. Shetler and Cheryl Ann Brant.

JAN. 31: Since the breaking of ground two and a half weeks ago, work has progressed according to schedule on the Lions Club Medical Centre in Deseronto. Monday morning, two carpenters started making forms for footings and the foundation. Lion Gerald Lott told The Beaver it is hoped that concrete for the footings will be poured by the end of this week. The next step will be the laying of concrete blocks for the foundation.

John Mackey and Harold Way of Tamworth were operating their snowmobiles on the north end of Beaver Lake when they struck a patch of open water near where the lake empties into the Salmon River. Way escaped as his snowmobile slid under water but Mackey, 27, was drowned.

Members of the industrial community were guests of the Napanee Industrial Committee at a dinner meeting last Thursday evening. The purpose of the meeting was to determine if existing industries had any problems that the committee or the municipality could help in resolving.

Ernestown Township's oldest resident, Ernest B. Mills died last Wednesday at the age of 101 in the Lennox and Addington County General Hospital here.

The McCutcheon Realtor All Stars were on the tournament trail again last weekend as they travelled to Pembroke on Saturday to play four hockey games and bring home both the "A" Championship and Grand Championship to Napanee.

Births announced this week were: daughter to Gayle and Marilyn Gannon, Neil and Marion Denison, Clarence and Rose Kennedy, and a son to Mr. and Mrs. Arthur Walker.

Deaths recorded were those of Mrs. Ruby McCulloch, Bernard B. Mills, James S. Kilgannon, Jean McKnight and Mary Pennell.

FEB. 7, 1973: A centennial banquet last Wednesday night was the first of a series of events during the year that will mark the 164th anniversary of the founding of St. Mary Magdalene's Anglican Parish and the 100th anniversary of the laying of the cornerstone of the present church.

A recount of the Dec. 4 vote on liquor lounges has resulted in an increase in the number of "yes" votes bringing the percentage to 60.4 per cent, just over the required 60 per cent. The recount was conducted by County Judge Gerald F. Smith in the county court house last Friday.

The annual meeting of the Napanee Horticulture Society was held at Grace United Church Hall. The same executive officers were re-elected for another year; Grant Clark, president; Mrs. H.H. Langford, 1st vice president; David Smith, 2nd vice president; Miss Letha Scott, secretary; Mrs. G.L. Howitt, treasurer.

Napanee Town Council decided Monday night to investigate the setting up of a police commission. The motion by Reeve Glenn Herrington, seconded by Councillor Reg. Vick, was adopted by a vote of 5-4 with Mayor Lorne Smart casting the tie-breaking vote on a recorded vote.

The birth column this week announced the arrival of sons to Franklin and Joan Gray and Dale and Nancy Thompson.

Eight deaths were reported. They were: George H. Barham, Dana Marie Jackson, Kenneth S. Harris, Lucy M. McHale, Frances Somerville, Mary E. Graham, E.R. Elliott, and Jane E. Smith.

FEB. 14, 1973: Gerald Lott, of Deseronto, was elected chairman of the Napanee Region Conservation Authority at the authority's annual meeting held at Napanee Town Hall last Wednesday. He succeeds George Grant, of Bellrock, who has served as chairman of the authority for 15 years. The vice-chairman is Bruce Cuthill, Reeve of Richmond Township.

Leland Wannamaker, of RR 1, Napanee, was elected first vice-president of the Ontario Soil and Crop Improvement Association at the annual meeting in Toronto recently. The two other official delegates from Lennox and Addington County were Donald Paul and Donald Hough.

Concern about keeping the secondary school budget within limitations of the ceiling for grants prompted the board of education to discontinue driver education courses in the three secondary schools of the county at the Monday night meeting of the board. A decrease in enrolment at the three secondary schools in the county is causing concern to Lennox and Addington County Board of Education. At the Monday night meeting of the board, a report prepared by C.S. Froud, superintendent of schools, was presented which showed that 123 students have dropped out of secondary schools since September.

Richmond Township Hall at Selby was the scene of a happy event when Mr. and Mrs. William Booth celebrated their 60th wedding anniversary.

Six births were announced this week (all boys) and the proud parents are: Jeff and Elizabeth Nellis, Rod and Marla Howitt, Jack and Debbie Moon, Wayne and Susanne Kells, Bill and Katherine Robertson and Bill and Doreen Hinch.

Deaths reported were those of Arnold T. Empey, Norman R. Hart, Clinton E. Rendell, Susan Reid and Jessie E. Jackson.

FEB. 21, 1973: David McIntosh, 44, of Picton was appointed county road superintendent at the February meeting of the Lennox and Addington County Council last week. He was hired on the recommendation of the county road committee, to fill the vacancy created by the death in December of Alex Moffat.

Lennox and Addington County General Hospital will attempt to keep its maternity unit open but will evaluate the situation frequently in the light of its effect on the budget, Hospital Administrator E.H. Mills told the annual meeting of the hospital auxiliary last Tuesday night.

The Quinte Beach Nursing Home on No. 2 Highway just east of Deseronto completed a 12,000 square foot addition last June and finally received their licence to accommodate the

people who are still not connected and are apparently making no effort to do so?

I understand there is also raw sewage still flowing into the Bay waters. The council now says there is no law to compel anyone to connect to sewers unless they are polluting and who decides on the people who may be polluting?

Sounds like more "gutless buck passing."

Mr. Fletcher Vick mentioned in a letter to the local people about the Watergate affair. Well, I am certain if we were to check back into the past and maybe even the present, we might discover a little Watergate affair being conducted right here at home. People living in glass houses shouldn't throw stones.

I do not wish to discredit our town which some people will say I am doing, but then I do not believe I can honestly do any more harm than has been previously done by bad publicity from articles the mayor has had published in the Toronto Globe and Mail and other papers.

Sometimes I am ashamed to be a citizen of this town when I hear strangers remark that our main street looks like an old abandoned mining town.

I'm trying to comprehend some of our written letters to local papers and I must remark that I experienced much difficulty due to poor command of our wonderful English language. Perhaps some attendance at our ratepayers' meetings would alleviate this situation.

May I extend to the Ratepayers' Association a happy and prosperous New Year and the hope that they continue to keep our town on the straight and narrow path.

Goodness knows they certainly need this type of guidance. It would be excellent if both groups would work together. However this does not appear to be possible with the town fathers trying to use the Ratepayers' Association as a whipping post.

Without the ratepayers' leadership in 1974, results may be disastrous to the citizens of Deseronto.

Recently Wed In England, Dr. R. L. Dartt Dies In U.S.

A resident of Cedar Grove, New Jersey, Capt. Robert L. Dartt, USNR/R died suddenly in Mountainside Hospital there on Dec. 4 at the age of 65. Following private funeral services, he was buried with full military honors in Arlington National Cemetery.

Dr. Dartt was the husband of the former Mrs. Florence S. Owens of Napanee and Tamworth. Capt. and Mrs. Dartt were married in England at the home of the Marquis of Bath on Nov. 20, 1973.

Dr. Dartt had a wide background in education as a teacher and college professor, and as a journalist, businessman and author. A resident of Cedar Grove for 23 years, he had been Director of Welfare for the Township since 1956, and had retired from the Navy in 1968, after 27 years of service in the Reserve.

Dr. Dartt was an administrator in the Mount Vernon, N.Y. public schools until he retired this year. He had also been a part-time faculty member for 15 years at Fairleigh Dickinson University, Teaneck, and for 13 years at the City University of New York. His business activities included being president-treasurer of Dar-Web, Inc., Sparta, and he was Director of the Student Advancement Center of West Essex for six years.

Dr. Dartt was considered a world authority on the works of the noted British author, G.A. Henty. He had published "G.A. Henty - A Bibliography," the standard reference work on Henty.

Captain Dartt was commissioned in the U.S. Navy in 1942, and served at U.S. and foreign bases during World War II. He was a member of the Air Wing Staff at Naval Air Station, Willow Grove, Pa. from 1947 until his retirement in 1968.

Born in Bethlehem, Pa., the son of the late Robert L. and Alice Thomas Dartt, he was graduated from Liberty High School, Bethlehem, in 1926. He received his A.B. degree from Moravian College, Bethlehem in 1933, and his Master's degree from Moravian in 1938. He was awarded the Doctor of Education degree by Rutgers University in 1955. He had also attended Penn State, New York, and Lehigh Universities, as well as Dickinson Law School, Carlisle, Pa.

Dr. Dartt taught at various times in the public schools of Hershey, Pa., Westfield, N.J. and Hicksville, N.Y. and at Mt. Vernon. He also served as public relations director for Montclair State College for two years, and was acting head of the Journalism department at Rider College in Trenton for more than two years. He had also been a part-time professor at Rutgers University, Newark, and at Pace College, New York City.

Dr. Dartt's working journalistic career began on the Bethlehem, Pa. Globe-Times, as reporter and later as assistant city editor. Following World War II, he was for a time the assistant night editor of the San Bernardino, Calif. Sun. In 1951 he purchased the Courier Publishing Co., Clinton, N.Y. where he published the Clinton Courier and the Hamilton Spectator for several years.

LAY MINISTER TEAM

Husband And Wife To Serve Deseronto Area United Churches

By CATHY HUNTER

On New Year's Day, Robert and Beverly Thompson, moved to Deseronto to take up residence in the Deseronto United Church parsonage. Both Mr. and Mrs. Thompson are lay ministers in the United Church and both hope to be ordained in the ministry at the same time, two years from now. Mr. Thompson has been asked to take over the Quinte Pastoral Charge which includes both Deseronto and Melrose United Church. Mrs. Thompson is presently serving the Wilfrid Pastoral Charge. Both are attending classes at Queen's University Theological College in Kingston.

Their move from Toronto was expected but was not without its interesting aspects. On New Year's Eve Bob Thompson was stranded at Winnipeg airport. He was on his way home from a theological conference in Saskatoon, Saskatchewan. Two representatives from every theological college in Canada attended this conference, the theme of which was "Christian Liberation". Mr. Thompson, who attended as a representative of Queen's, was due to arrive in Toronto on New Year's Eve. Due to unforseen circumstances he was held up in Winnipeg until four o'clock New Year's Day morning when he finally got a connecting flight home to Toronto. How did Mr. Thompson spend New Year's Eve? Well, he and seven others who were waiting for the same connecting flight, welcomed in the New Year singing Christmas Carols in Winnipeg airport.

Mr. Thompson, however, felt the conference had been a really wonderful experience and found it interesting to see how much all denominations had in common even though the differences in their beliefs could be well respected.

Mr. Thompson, whose home church had been Thistletown United Church in Toronto, is a graduate of Ryerson Polytechnical Institute in arts. He has attended the Toronto Centre for Christian Studies and Trent University and is now completing his studies with classes at Queen's. He served in two mission fields. The first was in northern Saskatchewan and the second in Guysborough, Nova Scotia.

Robert Thompson and his wife, Beverly, were married in Nobleton, on Oct. 9, 1971. The minister officiating at the wedding was Mrs. Thompson's brother, Rev. Kenneth Russ of Jordan Station. Various members of Mr. Thompson's family are also in the ministry.

Mrs. Thompson received her Bachelor of Arts in Religious Studies from St. Paul's United College in Waterloo and was continuing her studies by correspondence. She is also a lay minister in the United Church and will be switching from correspondence studies to classes at Queen's. This very attractive young woman hopes to be ordained at the same time as her husband. She once caused a Toronto radio announcer to comment, after seeing her picture in a local paper, that if all ministers were that attractive the churches would be full every Sunday. She and her husband both enjoy music, singing, and their work with the church.

On Thur., Jan. 3, an introduction ceremony was held for Robert Thompson in Melrose United Church. Rev. Jim Cullen, of Northport, conducted the service which was also attended by Rev. Thomas Page, of Trinity United Church, Napanee. That made the appointment official and now this interesting young couple are a welcome addition to the community.

Wedding Bells

THE WEDDING of Mr. and Mrs. David Pigion was solemnized in Morven United Church on Dec. 1. The bride was Lyn Carol Darling, daughter of Mr. and Mrs. John Darling, RR 1 Odessa. The groom was David Earl Pigion, son of Mr. and Mrs. Earl Pigion, Amherstview. Mr. and Mrs. Pigion are living in Amherstview.

ERNESTOWN W. I.

Mrs. Alex Hagerman was hostess to the Ernestown Women's Institute for their first meeting of 1974 with a fair attendence. Roll call was answered by displaying an article made in Canada and telling where it was made.

Business and correspondence were dealt with. It was decided to have a Euchre on Jan. 15.

Mrs. S. Rippi had charge of the program, Agriculture and Canadian Industries. She gave a splendid paper on these ending with two poems entitled Garden for Giving and New Year's Resolutions.

The meeting was closed by singing the Queen and Grace after which a social time was spent over refreshments.

Jacques Cartier used eastern white cedar to treat scurvy among his crew.

Engagements

Mr. and Mrs. Edmund Wicklam, R.R. 1, Marlbank, Ontario, are pleased to announce the engagement of their daughter, Brenda Dawn to Joseph Daniel Dillon, son of the late Mr. and Mrs. Thomas Dillon of Enterprise. The wedding will take place on Saturday, January 26, 1974 at 3:00 p.m. at the Church of the Annunciation, Enterprise, Ontario. 2ap

Mr. and Mrs. Clarence R. Brown, Centreville are happy to announce the engagement of their eldest daughter, Elaine Ann to Donald Arthur, eldest son of Mr. and Mrs. Glynn Collins, Napanee, Ontario. The marriage will take place January 19, 1974 at 6:30 p.m. in Centreville United Church. 2a

Mrs. Marilyn Kimmerly, Napanee is pleased to announce the engagement of her daughter, Frances Beth to Richard Blaine Babcock, son of Mr. and Mrs. Wallace Babcock, RR. 3, Napanee. Marriage to take place February 15, 1974. 2ap

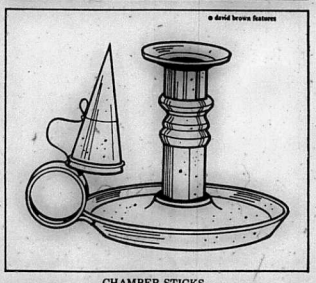
ABOUT ANTIQUES



CHAMBER STICKS

When people use candles today, it's usually either to create an intimate dining or conversational atmosphere, or because a brief power failure has sent them stumbling about looking for something to light up the sudden darkness. Next time you're burning candles, for whatever reason, you might reflect for a moment that it really wasn't very long ago when they were just about all people had to see by, once the sun went down. Better yet, if you are a collector, why not make it a point to try and get a real antique chamber stick or two to make the reminiscence really ring true?

In the earlier North American days before Thomas Edison's bright idea turned candles from necessitites into ornaments, it was customary to provide each bedroom with its own chamber stick. They'd be placed handily at the foot of the stairs so that each member of the family could light his or her way up to bed. Who can forget the famous Fisk trademark of the little pyjama-clad boy with the candle and the slogan "Time to Retire"?

Many types of holders were used, and they usually had flat, saucer-shaped bases, fitted with a center candle socket, some with a push up device that enabled the stub to be readily removed when the candle was used up. Most had hand grips, the ring type finger grip being most common.

Some can be found today complete with a scissor-like snuffer that also removes the excess carbonized wick; others may have the cone-type snuffer that is simply placed over the flame.

Prices will naturally depend on materials, condition, age, scarcity in some areas and desirability. They were made in a wide variety of materials and can be found today in tin, iron, brass, pewter, wood, silver, glass, fine china, Sheffield plate and others. There are still many bargains to be had by the alert collector.

Deseronto Police Report Covers 1973 Activities

On Mon., Jan. 7, at Deseronto Town Council meeting, the annual report of Deseronto Police Department was presented. In an interview with Police Chief, Carl Beattie, later a few comments were made.

The number of reportable motor vehicle accidents in 1973 was 21, exactly the same as in 1972. However, non-reportable motor vehicle accidents had increased to 10 in 1973 from six in 1972. In 1973 five persons were injured in these accidents and in 1972 no injuries were reported. The Deseronto Police investigated four sudden or accidential deaths (other than traffic) in 1973 compared to six in 1972.

In 1973 Deseronto Police had 105 charges under the Criminal Code, up considerably from the 67 in 1972. However, charges under the Liquor Control Act were reduced to 73 in 1973 from 109 in 1972. There was a considerable increase in charges under the Highway Traffic Act. Charges in this category increased to 112 in 1973 from 75 in 1972. Deseronto Police issued only one charge under other Provincial Statutes in 1973 as compared with 12 in 1972. They show 35 charges issued under Bylaws in 1973, almost four times the total of nine shown in the same category in 1972. Tags issued for Parking Violations in 1973 had almost doubled from the previous year at 72. There were 38 in 1972.

According to Chief Beattie, some of the increases are due to the fact that the Deseronto Police Force had a more permanent staff during the year 1973 and were not operating short-handed as often as in recent years. The turnover in staff which had been experienced during previous years often left the Deseronto Police Department in a position of having only two officers to provide a 24-hour service, seven days a week. Salaries in a small town police force can not be expected to be compared with those in a city and are, understandably, lower. Due to this, the heavy workload placed on even a three-man police force trying to provide around the clock service, and other factors, it seemed for some time as though Deseronto were only acting as a training ground for other police forces. Since they had received the initial training, officers were finding that they were attracted to larger police forces and were resigning to take positions elsewhere.

During 1973 Deseronto Police investigated 725 complaints as compared with 659 in 1972.

They arrested 17 persons for other forces (10 in 1972) and served 104 summonses for other forces (96 in 1972). Deseronto Police investigated five housebreaking occurrences in 1973 and only three in 1972. They investigated three shopbreaking occurrences compared to one in 1972. In 1973 there were nine thefts over $200 (ten in 1972) and 31 thefts under $200 (21 in 1972).

Police Chief Beattie feels a lot of these thefts, and many more which were not reported to the police could have been prevented by a little more care from the owners. If people leave bicycles and other possessions lying loose outside and cars unlocked with valuable possessions in them, they are taking unnecessary chances. If they do not report thefts to the police until hours, or days, after they are discovered, they cannot expect the police to be able to conduct very fruitful investigations.

Deseronto Police found less than half as many premises insecure, 23, in 1973 as they did in 1972 with 47 being found insecure. Perhaps, said Mr. Beattie, shop owners were getting tired of being awakened during the night to come and lock up the premises properly.

The value of property stolen in 1973 was $6,484.75 which included three cars. The value of property recovered was $3,020, which also included cars. In 1972 the value of property stolen was $1,219.50, of which $295 was recovered.

BOOKS AND YOU

A COLUMN ABOUT THE LENNOX AND ADDINGTON COUNTY LIBRARY SYSTEM

One of the smaller pleasures in life is curling up in a big chair on a wintry night, preferably before a blazing fire-place, with a good mystery-adventure. Here is a selection of books from the shelves of the Lennox and Addington County Library that will meet with your approval.

THE LOO SANCTION — by Trevanian — Jonathon Hemlock, art critic and ex-counter assasin encounters a singularly nasty villain.

CATERPILLAR COP — by James McClure — With a rare sense of humor and thorough knowledge of his South African locale, McClure keeps his readers on the edge of their seats with this splendid whodunit.

FOUR AND TWENTY VIRGINS — by James McClure. Twenty-four ex-cops are recruited by the Syndicate to impose "law and order" on its members. The results are undoreseen.

THE FIRST DEADLY SIN — by Lawrence Sanders. Currently on the best-seller lists this story juxtaposes the pride of a New York police captain and the homicidal maniac he is after.

GOING PUBLIC — by David Westheimer. Murder in a humorous vein. Three professional killers incorporate and sell shares on the open market with outstanding success.

WILTON

Mrs. Maude Smedley and Miss Olive Salsbury of Newburgh, together with their brother, Carmen Salsbury, were callers at the home of Mrs. Alice Edgar.

QUINTE - ST. LAWRENCE LEAGUE

TIREMEN WIN 2 GAMES BUT LOSE TO GANANOQUE

By BILL MOORE

The Napanee Juveniles, hockey team clobbered Tamworth 12 - 1 and downed Picton 6 - 1 but were edged in Gananoque by a 3 - 1 score. The game in Gananoque was a bad one to lose but the Tiremen hope to reverse this on Sunday night in Gananoque, game time 8:30 p.m.

As these two teams will be meeting in the first round of the O.M.H.A. Juvenile "A" play-offs this is a key game. The Quinte-St. Lawrence League play-offs are set up so that the team that ends up with more points gets the first game and also the odd game of the series on home ice.

In the game against Tamworth here, the Tiremen led 4 - 0 in the first, 9 - 0 in the second and out-scored Tamworth 3 to 1 in the last period for a 12 - 1 win. Terry Peters opened the scoring at 4:40 on relays from Kevin Craven and Griffin. At 7:35 Bob Murphy scored from McDannold and Peters and at 12:50 Grant Elliott potted one from Terry Howie. Rob McDannold made it 4 - 0 at 19:26 from Peters. Joe Craven opened the scoring in the second period at 6:06 from Griffin and Elder and at 13:18 Kevin Craven combined with Mills and Simpson for the sixth goal. At 14:26 Terry Brady scored from Peters and Elliott followed by a goal at 16:13 by Joe Craven from Griffin. At 17:48 Bob Simpson made it 9 - 0 from Mills and McDannold.

At 1:43 in the last period Tim Griffin scored from Kevin Craven and at 2:23 Paul Whalen scored for Tamworth from Brown and Stinson to break the shut-out. Napanee scored again at 5:22. Grant Elliott getting an unassisted goal and Kevin Craven made it 12 to 1 at 8:28 from Mills and Simpson. Napanee out-shot Tamworth 54 to 23 in the game with Tamworth picking up seven of the 13 penalties in the game.

In the game at Gananoque the Tiremen lost the services of defenceman Bob Murphy in the first minute of the game as he was caught by a high-stick and knocked out. He had to be taken to Kingston and picked up 11 stitches over the eye. His loss weakened the Tiremen defensively but the Napanee squad out-played Gananoque in the last period but couldn't beat Gananoque goalie Paul Delaney.

Gananoque got the only goal of the first period at 15:45 on a power play Doug Jeffries breaking away to score.

A double penalty to Napanee set up the second goal for Gananoque at 14:25 of the second period, Gerry Latimer scoring an unassisted goal.

The Tiremen poured it on in the last period buzzing around the Gananoque net and finally at 13:32 Terry Peters scored from Elliott and Howie. They kept the pressure up but were unable to put the puck by Delaney in the Gananoque goal. Gananoque got the final goal of the game on a breakaway, with Napanee pressing, Rex Donald making it 3 - 1 at 19:23. Napanee picked up 14 penalties to 12 for Gananoque in a poorly refereed game.

In a scrambly game here last Thursday night, the Tiremen won over Picton by a 6 - 1 score. Napanee led 1 - 0 at the end of the first Bob Simpson scoring at 5:45 from Mills and Kevin Craven. In the second period Kevin Craven scored at 6:43 on passes from Elliott and Simpson and at 7:50 Terry Peters made it 3 - 0 with Brady and Murphy assisting.

Tim Griffin scored at 3:15 of the last period, to put the Tiremen four up, on relays from Joe Craven and McGrath.

At 12:51 Joe Craven got an unassisted goal on a breakaway. Picton finally got on the score-board at 16:00 Jim Hennessey scoring from Foster and Rick Brant. Roger Mills closed out the scoring at 17:00 on passes from Simpson and McDannold to make it a 6 - 1 score for the Tiremen. There were only seven penalties in the game with Napanee picking up five of them. The Tiremen out-shot Picton 32 to 17 in the game with Dave Lochhead and Dan Heaney sharing net-minding duties for Napanee.

On Thursday night at 8 o'clock here the Tiremen host Kingston Township Juveniles.

WHAT'S THE SCORE?

By D'ARCY McKITTRICK

Hockey, which is tagged as the fastest team sport in the world, with nothing short of pride by many Canadians, is rapidly becoming one of the most dangerous to participate in.

To regular readers of my column, it may be obvious to you that I have been of late "attacking" the most dear and near thing to our hearts, hockey. The reason behind this, I should point out, is that now as a spectator of this favorite winter past time more than a participant, many flaws seem to be presenting themselves, and I feel that viewpoints should be aired. I do not hold any grudges or have any scores to settle, in fact I can honestly say that I enjoyed the sport very much. However it is time that certain aspects of the game were presented for public scrutiny so that changes if they are needed may be instituted.

In getting back to the opening paragraph, I would be very much surprised if people have not already begun to realize that hockey is becoming a much more hazardous "hobby". Consider for examples, the cases of Al Garrison, A Napanee Minor Hockey product and the young defenseman for the Toronto Mariboros Junior "A" team, who both through incidents involving high sticks in a hockey game have suffered a severe handicap, impairment of vision which will not only affect any further participation in sports but also will be a permanent handicap for the rest of their lives. To a lesser degree there is also the incident of a few weeks ago when Bob Murphy, a defenceman with the Napanee Tiremen, required substantial needlework to close an incision on the back of his head as a result of a collision with a piece of lumber. Also consider the subject of last week's column, the house league hockey game. More than once I witnessed a lethal weapon in action when quick jabs with the stick just missed their targets, namely eyes, groins and backs.

What all of this boils down to is that the Ontario Minor Hockey Association in their infinite wisdom seem to have missed the boat. Rule changes this year centered around the abolition of fighting (with the fists) on the ice. I ask you, how many incidents have you heard where players have been seriously injured due to engaging in fisticuffs. I venture to say very few, at the most. Would it have not been in the better interests of safety, which I presume is one of their major aims, to have enacted much stricter penalties for the infractions of highsticking, spearing and buttending.

Of course, another view can be taken on the subject, and this concerns coaches. I wonder how many of them when they yell at their players "get that guy" realize the possible consequences. In the younger age groups especially, this simple phrase could be taken too literally. I also wonder how many coaches when they see one of their players perform a buttend, or spear or highsticking infraction, remove the player from further participation in the game. They should not rely on the referee to catch all the infractions, it is virtually impossible.

In closing, I would just like to say that only through co-operation of everyone concerned with the sport will it become less of a hazard and more of an enjoyable pasttime.

Tamworth Braves Win 4 In Trent Valley League

By JOHN CLARK

Tamworth Braves are on a winning streak in the Intermediate "D" Trent Valley Hockey League.

The Braves have won the last four games in a row and now have a total of 15 points.

Sat. Dec. 29 Tamworth beat the Tweed Oil Kings in Tweed 5-3.

In the first period Clarence Kerr, with assists by Dave Hartman and John Fenwick, opened the scoring at 7:30 for the Braves.

In the second period at 9:29 Clarence Kerr scored the second goal of the game for the Braves assisted by Dave Hartman and John Hartwick.

In the third period Clarence Kerr again, got the third goal of the game for Tamworth at 10:50 this time assisted by Al Whitfield and Garry Hart.

At 11:12 Dave Potts scored Tweed's first goal assisted by Grant Haggerman and Bill McGuire. Then at 13:27 Brian O'Coin scored another for Tweed assisted by Paul Farrell, Clarence Kerr dented the twine a fourth time for Tamworth at 13:33 assisted by Al Whitfield and Jack Smith. At 14:43 Murray Weese scored for the Braves assisted by Barry Roantree and Don Weese. Tweed scored their last goal at 15:10 when Terry McGregor scored one goal unassisted.

FRONTENAC - ADDINGTON LEAGUE

On Dec. 29 Tamworth won over Henderson 6-3, Roblin walked over Bradshaw 13-0, and Centreville beat Sharbot Lake 9-6. The top four teams in the League are: Harlowe 20 points, 10 games - 10 wins; Tamworth with 13 points - 9 games - 6 wins - 1 tie; Centreville with 10 games - 13 points - 5 wins - 3 ties and Yarker - 9 games - 4 wins - 1 tie - 9 points.

On Sun. Dec. 30 the Braves beat Brighton in Tamworth 6-3.

In the first period Jack Smith opened the scoring for the Braves at 14:07 assisted by Al Whitfield.

In the second period at 0:29 seconds Jack Smith potted the second goal for the Braves assisted by Clarence Kerr and Al Whitfield. At 3:54 Barry Remington rifled in Tamworth's third goal assisted by Barry Roantree and Gary Hart. Then, Jack Smith dented the twine at 7:17, for a hat trick and the Braves' fourth goal assisted by Al Whitfield.

Brighton's John Gravelle got their first goal assisted by Mike Walt and Clareon Taet at 15:20. Tamworth's Gary Hart scored again for Tamworth at 17:26 from the blue line from a pass by Jack Smith in Brighton's corner, and at 18:57 Clarence Kerr rifled in Tamworth's sixth goal assisted by Garry Hart.

Brighton got the only two goals of the third period with John Gravelle getting one at 10:06 and Gary Lisle putting in their third goal at 17:41. Len Taet and Mike Walt picked up the assists on these goals.

FRONTENAC - ADDINGTON JUVENILES

On Sun. Dec. 30 Centreville beat Parham 2-1. Tamworth beat Roblin 9-0 to stay undefeated.

MINOR HOCKEY

On Dec. 30 Tamworth Pee-Wee All Stars defeated Picton in Picton 2-1.

In the first period Bobby Mercier opened the scoring for Tamworth at 5:54 assisted by Lester Brown.

At 18:02 of the second period Bobby Mercier dented the twine again for Tamworth assisted by Lester Brown and Clair Whalen.

Picton got their one and only goal at 7:23 when Doug Brown scored assisted by Scott McKenzie.

AT BRIGHTON

SELBY BANTAMS WIN HOCKEY TOURNEY

Selby Plastic Tubing hockey team travelled to Brighton on Saturday filled with enthusiasm and confidence to capture the "A" championship. Napanee met Fort Henry in the first round and advanced into the "A" championship category by virtue of their 4-0 win.

Pete Finn was top scorer in the game with two goals. Scott Lawlor and Pete Cormier received assists on each of the respective goals. Jeff Sergeant scored the third goal on a pass from Rick Chapman. Chapman scored the fourth goal on a pass from Jimmy Brown.

Napanee played Stirling in the next round. The Stirling club was a fast skating club and proved to be a formidable competitor. However Selby Plastic scored two goals to Stirling's one and skated, backchecked and forechecked hard to hang on to their slim one goal lead. Jeff Sergeant assisted by Rick Chapman and Pete Leary assisted by Murry McCracken scored Selby Plastic's two goals.

Napanee advanced to meet Picton in the championship round of the hockey tournament. Napanee's short break between games did not slow down their hustle. The team forechecked, backchecked and remained on top of the puck for three periods, never allowing Picton to have complete possession. The defence played well in front of their goaltender Chris Maracle. Maracle came up with excellent saves as Picton pressed towards the end of the game. The Napanee goaltender only allowed two goals in three games. In Napanee's win over Picton Pete Finn scored his third goal of the tournament on assists from his two linemates Pete Cormier and Scott Lawlor. It only seemed fitting that the team captain Murray McCracken scored the winning goal assisted by his right winger Jimmy Brown.

The championship was a team effort all the way.

A great deal of credit must go to the parents of the Napanee players. The parents generated so much enthusiasm, spirit and confidence with their cheering that it gave the boys a real sense of desire. The tournament was well organized and each boy appreciated the courtesy and meals provided by the Legion staff.

Selby Plastic travelled to Picton on Sunday for a Quinte-St. Lawrence game. The Bantams came away with another 2-1 victory to prove that it wasn't luck that Napanee edged Picton in the tournament. Pete Leary scored Napanee's first goal on an assist from Herman Geenevasen. Murray McCracken scored the second goal on a pass from Dwight Williams.

Selby Plastic plays at home on Saturday night against the Trenton Majors.

Napanee Midgets Post Win, Loss In Weekend Games

By: D'ARCY McKITTRICK

Over the past weekend, Saturday and Sunday nights, the Napanee Midget All-stars hockey team were able to play 500 hockey. They played to a 5-1 win before the home crowd Saturday before dropping a 5-1 decision on the road Sabbath Eve.

It was the visitors who opened the scoring Saturday night early in the first period. Clark Young posted the lead for Trenton on a power play effort at the 6:10 mark. However, Bob Simpson evened the score in the first minute of the middle stanza and the locals never trailed after that. Roger Mills added the other goal in the second period, leaving the score at 2-1 when the teams returned to the ice for the final 20 minutes.

Napanee sailed the victory away with three unanswered goals in this period, Brad MacDonald was between the pipes for the win.

Marksmen in the final period were Bill Kimmett, Dale Elliott and Joe Craven.

Sunday night in Gananoque, the midgets saw the same score, but ended up on the losing end. After 20 minutes of play there was very little to choose between the two teams, each of them being unable to score. But before the six minute mark of the 1st period, the home team had struck for five unanswered goals. Steve Higgs, Harold Higgs, Pat Mangan, Doug Sheffield and Jeff Perry each tallied once for Gananoque. Bob Simpson shattered any hopes Gananoque's goal tender had of a shutout midway through the final stanza, but that's as far as it went. Final score: Gananoque 5, Napanee 1.

As a note, the game got a little out of hand in the final few minutes with two Napanee players and one Gananoque player receiving game misconducts.

GOOD NEWS AND BAD NEWS

First . . . . The Bad News (For Us)

We have an extra large stock of both new and used vehicles. Here's Why:
We received a special late December factory shipment of new Fords and Mercurys and they've crowded us out.
We have a large inventory of sharp late model used cars traded in on 1974 Fords and Mercurys.
We know people usually wait till Spring to trade up.
We don't like swiping snow off them and we're out of room to park them.

Now . . . . The Good News (For You)

You've got an excellent selection to choose from. Either in new or used cars.
We have to make better deals to lower our stock.
All reasonable offers will be accepted.
You can still buy 1974's from our large stock before the price increase.

A Win, A Loss For All-Stars

The McCutcheon Realtor Pee Wee All Stars hockey team hosted two games last week. On Wednesday night they defeated Belleville Minors 8-1.

Scoring for Napanee were Mike Martin with the hat trick, and Bill Dudgeon, Peter Hinch, Brant Doyle, Greg Mills and Steve Dickerson with one each. Assists were earned by Hinch, Martin, Mills, Dickerson, Doyle and Huck Conway.

This "feast" was followed by a famine as the Napanee boys were shut out 4-0 by the Kingston Township Majors on Saturday night.

DRAW WINNERS

The winners of the draw which was held in conjunction with the Dec. 28 dance in Annunciation Parish Hall, Enterprise, were as follows: home made quilt, Miss Catherine Dowling, Enterprise; set of knives, Mrs. Anna Wagar, Kingston.

SOUTH LENNOX LEAGUE

Hawley Starts New Year With Second League Win

BY: D'ARCY McKITTRICK

The first South Lennox league action of the new year saw Hawley post another win(their second) to tie for last spot with Amherst Island.

Bob Lewis led the way for a shorthanded Jackson's team as he turned in a remarkable performance of five goals and one assist. He and his four team mates handed the Amherst Island crew a 6-1 drubbing. Lewis scored one in the first period, two in the second and two in the third while Tom Cashman added the other Jackson goal in the final stanza. Dave Fox got the lone tally for Amherst Island.

In the second game, the Hawley crew demonstrated that they are on the rise as they defeated the Reserve 5-1. The first period was scoreless before Hawley took a three goal lead going into the third. Gunner Peterson, Paul Dickson, and Robert Hough were the marksmen. Ron Maracle posted the Reserve's only mark in the final period but to no avail as Brian Elder and Robert Hough replied for Hawley.

The league leading Junior Farmers dropped a close game as well as a two point advantage to the Napanee Tiremen in the late game. Grant Elliott put the Juveniles out in front early in the first and the lead was not challenged until midway through the final 20 minutes. Dale Desveaux evened the score before Terry Peters potted the winner for the Juveniles.

Hawley will take on the Juveniles in the early game this Friday; followed by Amherst Island and the Junior Farmers at 8:20, with the Reserve and Jackson's tangling at 9:40.

New Employment Standards

Read about these important changes...they affect most workers and employers in Ontario.

EFFECTIVE JANUARY 1st, 1974

The New Minimum Wage

General, hourly	$ 2.00
Learner Rate, hourly (applies only during the first month of employment)	1.90
Student Rate, hourly (applies to students under 18 who work 28 hours per week or less or during school holidays)	1.65
Construction Rate, hourly (includes guards; no learners)	2.25
Ambulance Drivers and Helpers	
Weekly Rate	96.00
Hourly Rate (if work week is less than 48 hours)	2.00

New Rates for Room and Board

The following maximum rates apply when room and board are included in calculating the minimum wage:

Room, weekly	$ 8.00
Meals,	.85 each
	OR 17.00 weekly
Room and meals	25.00 weekly

Increased Vacation Pay

All employees are entitled to vacation pay accruing at the rate of 4 per cent of all monies earned on or after January 1st, 1974. No minimum period of employment is required to entitle an employee to vacation pay. After one year of service, employees are entitled to two weeks vacation with pay. If service is for less than one year, employees must receive vacation pay on termination of employment.

EFFECTIVE JANUARY 1st, 1975

Overtime Pay

Beginning January 1st, 1975, overtime pay of 1½ times the regular rate will apply after 44 hours of work weekly. This premium rate now applies after 48 hours weekly.

Paid Statutory Holidays

This Year, qualified employees will be entitled to four statutory holidays with pay: Good Friday, Labour Day, Dominion Day, and Christmas Day.

Next Year, three additional paid statutory holidays will be added to the list: New Year's Day, Thanksgiving Day, and Victoria Day.

Qualifications

To qualify for a paid statutory holiday a worker must: Be employed for the three months immediately prior to the holiday; work on 12 of the 30 days preceding the holiday, and work on his or her regular day of employment preceding and following the holiday.

If an employee agrees, an employer may, within 30 days, substitute another working day for the holiday.

If a qualified employee, who does not have a substitute arrangement, works on a statutory holiday, payment must be at the regular rate, plus time and a half. An employee who does not qualify for a paid holiday, must be paid time and a half for each hour worked on a statutory holiday.

Exemptions

There are some exemptions to The Employment Standards Act. For example, with certain exceptions, the Act does not apply to an employee on a farm engaged in the primary production of food, seeds, grain and tobacco.

This advertisement is published as a convenient summary of the new legislation. For more information or for a copy of the Employment Standards Act and its Regulations, contact the Employment Standards Branch, Ontario Ministry of Labour, at the following addresses.

OPEN HOUSE MARKS 95TH BIRTHDAY

A native of Birmingham, England, Mrs. Leah Smith, now residing in Bath, was born in 1879.

She came to Canada in 1904 and spent a short time in Montreal where she married the late John William Smith. They later moved to Windsor where they lived until she came to Bath.

On Sun. Jan. 6, her daughter, Mrs. Gordon Smith held open house for friends and relatives to honor her mother, Mrs. Leah Smith, on her 95th birthday.

Present to mark the occasion was her other daughter, Mrs. William (Dorothy) Hanson of Windsor.

All of Mrs. Smith's grand-daughters attended: Mrs. Gail Roberts, Kingston; Mrs. Howard (Sandra) Smith, Elgin; and Mrs. John (Lynne) Thompson, Napanee.

Also present, were five great-grandchildren. Mrs. Smith also has a grandson and a great-grandson living in Windsor.

AT 95, Mrs. Leah Smith of Bath enjoys relatively good health and likes visiting with friends. Last Sunday, her daughter, Mrs. Gordon Johnstone of Bath held open house on the occasion of Mrs. Smith's 95th birthday. She is seen above with two great grandchildren, Lori and Scott Smith of Elgin.

Fire Destroys Barn And Contents

North Fredericksburgh Fire Department answered a call to the residence of Clare Snook, RR 3, Napanee, occupied by Harold Tullock to put out a fire in an adjacent barn.

The fire was discovered by an Ontario Provincial Police Constable on patrol about four o'clock Monday morning.

It took two hours to put out the fire which completely destroyed the barn and contents: a tractor, a late model car and a quantity of tools.

Damage is estimated at $6,000 and the loss is only partially covered by insurance.

FIRST PROGRAM to be telecast over Napanee - Deseronto Cablevision, live from the studio in South Fredericksburgh will bring "Kingo" to Napanee homes on Channel 9, every Thursday night starting Jan. 17 at 6:30. Larry Pringle, left and Bob Hart, right of the Napanee Kinsmen Club discuss the program as they inspect a poster announcing the telecast.

Claims Rip -Off On Tax Rebates

the new grants announced by the provincial government in April last year. When we don't have the money available, I won't spend it," he said.

Councillor Milligan continued to challenge Reeve Herrington on his statement that a tax saving of $12,150 had resulted to taxpayers. Councillor Milligan calculated the $50,150 which heclaims the taxpayers were deprived of, by taking the difference between the new grant as announced ($135,000, plus an additional $20,000 in new police grants) and deducting from this total of $155,000, the $117,000 which he claims has been returned to taxpayers in rebates and adding this amount of $38,000 to the interest at nine per cent on $135,000 which comes to $12,150 for a total of $50,150.

Former clerk-treasurer Carson Graham told The Beaver that some $130,000 has been returned to taxpayers and that the additional $20,000 in grants for the police department was included in the budget to help reduce the tax rate.

Deseronto Council Appoints Committees For 1974

Deseronto Town Council held their inaugural meeting at the town hall on Mon., Jan. 7, with everyone present. Minister for the occasion was Robert Thompson, of Deseronto United Church.

There were few surprises. Mayor James Sharpe had switched over the holidays to smoking a pipe instead of cigarettes. Council increased their standing committees to seven from the six they had in 1973 by splitting recreation and community centre into two separate committees. A committee of council was chosen to select the standing committees for the year and consisted of Reeve George Lyons, Councillors Peter Dickinson, Jack Mitchell and Terry Whalen. When council reconvened at 8:30 the following were the standing committees for 1974 (with the first named being chairman):-

Finance and Court of Revision Committee: Reeve George Lyons, Councillor Peter Dickinson and Deputy-reeve Percy Brooks.

Streets and Parks Committee: Councillor Terry Whalen, Deputy-reeve Percy Brooks and Councillor Peter Dickinson.

Fire and Police Committee: Councillor Peter Dickinson, Reeve George Lyons, Councillor John Neal.

Town Property and Industrial Committee: Councillors John Neal, Terry Whalen and Jack Mitchell.

Legislation, Bylaws and Printing Committee: Councillors Fletcher Vick, Marvin Brooks and Jack Mitchell.

Community Centre Committee: Councillor Jack Mitchell, Reeve George Lyons and Councillor Fletcher Vick.

Recreation Committee: Councillors Marvin Brooks, Fletcher Vick and John Neal.

Other committees and boards which are appointed annually by the town council were as follows (each of these to choose it's own chairman):-

Gerald Lott was re-appointed as council's representative to the Napanee and Region Concervation Authority.

Deseronto Recreation Committee: Ross Kemp, Thomas Doyle, Gerald Lawlor, Eugene Marlowe, Councillors Peter Dickinson, Jack Mitchell and Marvin Brooks.

Quinte Area Emergency Measures of Ontario: Mayor James Sharpe, Reeve George Lyons, and Deputy-reeve Percy Brooks.

Deseronto Community Centre Board: Dennis Vick, Jack Layfield and Councillor Jack Mitchell.

Deseronto Public Library Board: Miss Beatrice Rixen, Mrs. Flora Sexsmith, Mrs. A.G. Wakelyn and Peter Morris.

Deseronto Cemetery Board: Gerald Lott and Peter Morris. (These two are for two year terms for 1974 and 1975). There are two other members of the Deseronto Cemetery Board who were appointed last year for 1973 and 1974).

additional patients just over a week ago.

The County of Lennox and Addington will again give grants to various organizations, county councillors decided at the February meeting of the council last week. But any group planning to apply for such a grant will have to do so before Mar. 5.

This Napanee and District Curling Club scored a perfect end Saturday during a bonspiel here. They made an eight-ender, which means all of their eight rocks were in scoring position when the end was completed. This is a rarity in curling circles but it's not the first time it has happened in Napanee. Another Napanee team scored an eight-ender two years ago. Members of the team are Bill Sanders, skip, and Mrs. John (Joan) Sterns, vice-skip, in front; Lorraine Sanders, lead, and Peter Nasmith second, are standing.

Three births were announced this week. Daughters were born to Brian and Doris Dunford, John and Nora Pierce and John and Sandy Huggins.

Deaths reported in this issue were those of Nebetta Miller, Elsie May Garey and Myrtle L. Falls.

FEB. 28, 1973: The Tiremen in a hard fought Juvenile "A" hockey game at Centre 70 on Sunday night edged Kingston Township 4-3 on a goal late in the third period by Al Garrison.

This gives Napanee the best of five series in three straight and they will now meet Markham in the Ontario quarter-finals.

Publisher of The Napanee Beaver J. Earl Morrison, was elected president of the Ontario Weekly Newspapers Association last week at the OWNA's annual convention in London, Ont. He succeeds J.C.R. McKnight, of the Tillsonburg News.

The annual Mother and Daughter banquet for Deseronto Guides and Brownies was held on last Tuesday, at St. Mark's Anglican Church Hall with over 100 people in attendance.

Gerald G. Hunt, of Newburgh, who has been named a Master Breeder by the Holstein-Friesian Association of Canada, will host the annual county barn meeting at his farm on Mar. 9 at one o'clock. Mr. Hunt is believed to be the first farmer from this county to receive the award, the highest honor which can be bestowed on a Canadian Holstein breeder.

Anti-rabies clinics will be held in up to 18 locations throughout Lennox and Addington County during the first two weeks of April. The clinics are being planned by the Canada Department of Agriculture in cooperation with the county and with the townships within Lennox and Addington.

Looking much younger than his years, John Berry of Frizzell Road, north of Tamworth celebrated his 100th birthday on Sunday by receiving the best wishes of friends and relatives at his home.

Births this issue announced the arrival of a daughter to Brian and Joan Marshall and a son to Mr. and Mrs. John B. Davidson.

Four deaths were reported. They were those of Cora M. Switzer, Leone D. Spencer, James M. Defoe and Robert W. Young.

Pilots received $25 apiece and up to take a boat or scow through turbulant Whitehorse Rapids during the Klondike gold rush of 1898. The rapids, which took the lives of many men, were tamed by the Whitehorse dam constructed in 1958.

AT DESERONTO

Seeks Suspects In Robberies

Just as Deseronto Town Council meeting was closing on Monday evening, Police Chief Carl Beattie arrived to report to council that a warrant was being issued for a Deseronto area man for the robbery of Tony's Variety which took place on Christmas Eve.

Through the co-operation of the identification section of Belleville Detachment of Ontario Provincial Police, a warrant will be issued to pick up the suspect. Considerable credit must go to the clerk who was on duty at the time for providing the local police with accurate information, as far as possible, as to description of the suspect. Credit must also be given to Deseronto Police Constable Mike Brennan for his handling of the investigation.

Mr. Beattie was also able to announce that a warrant was to be issued for the arrest of a suspect in the robbery of Barnwell's Grocery and the theft of a car. The same suspect is wanted for both of these crimes which occurred early in November.

Although Police Chief Carl Beattie could not have known it, his announcements and his arrival at the town hall could not have come at a more opportune time. Some members of council and even one or two members of the audience had just finished being rather critical of local police.

WRONG NAME

In last week's edition, in a report of Police Court news, the name of Leonard King, 19, of RR 1 Centreville, appeared with those of three other youths who were found guilty of a number of theft charges. The name should have been James Leonard King, 19 of RR 1 Centreville.

DESERONTO NEWS

Everything is now getting back into the usual routine after the holidays. Children are back to school after a long holiday. Teachers have had a good rest and are prepared for another term and parents are rejoicing at the peace in their homes during the school hours. It will not last too long however, as Wed., Jan. 16, will be a "professional development day" for teachers at Deseronto Public School and the pupils will all have a one-day holiday.

Deseronto rink is open and operating even though hockey has not yet started and the usual busy routine of meetings has started. Monday was the inaugural meeting of the town council. On Tuesday the Community Centre committees met. On Wednesday the Public Utilities Commission will hold their first meeting of the new year and Deseronto Red Cross will hold their first meeting of the year. On Thursday the Ladies' Aid of the Presbyterian Church of the Redeemer are having their first meeting of 1974. On Jan. 17 the Deseronto Ratepayers' Association will be meeting for the first time this year and the Deseronto Public School Advisory Committee will also meet earlier that same day. On Jan. 20, the annual vestry council meeting of St. Mark's Anglican church will be held. On Jan. 22 the first pre-kindergarten class will be starting at Deseronto Public School. And so it goes... Catholic Women's League, Anglican Church Women, Deseronto United Church Women and Quinte Old Timers will also be meeting some time during the month...and many more.

A&P and Meat Buying

By: MARY HENRY Home Economist

Ida Burns & Associates Inc., 1260 Lakeshore Road East, PORT CREDIT, Ontario.

MARY HENRY

A&P is proud of the quality of the meat it sells. A&P sells only top quality meats. We take care to handle our meat so that it reaches you at the peak of quality.

Meat purchased for A&P Stores is cut into large units called primal cuts. Each of the primal cuts—e.g. chuck or shoulder, rib, hip, etc.—is individually packed with dry ice in an insulated carton. This ensures that the meat is kept at the proper temperature for aging and kept under the most sanitary conditions. While still in these cartons, the meat is shipped to the local A&P Store where the butcher will cut the meat according to local preferences.

Everyone of our stores has a butcher who is there to help you and who keeps a large variety of cuts on display at all times. If the cut of meat you want is not on display or if you wish a special cut, be sure to ask the butcher.

To make the best of your meat dollar, know your meat. Using a good basic cook-book, familiarize yourself with the variety of cuts and how to prepare them.

Expensive cuts of meat — steaks, chops, etc., are usually in demand and are therefore more costly than the less expensive cuts — pot roasts, stew meat, etc. Remember that the less expensive cuts are just as nutritious and can be just as tasty if they are prepared correctly.

Tiremen Score 2-1 Win In Gananoque, Sunday

By BILL MOORE

After losing to Gananoque a week ago Sunday in the Gananoque arena by a 3-1 score the Napanee Tiremen hockey team went back on Sunday night and came home with a 2 to 1 win. This gives the Napanee squad a record of two wins, one tie and one loss in the four games played against Gananoque this year.

After playing 15 games of the 20 game Quinte-St. Lawrence Juvenile Schedule, the Tiremen have won 12, lost two and tied one for 25 points and have scored 81 goals while giving up 44.

Tonight, the Tiremen travel to Tamworth for a 9:30 p.m. game and on Thursday night (Jan.10) Kingston Township are in Napanee for an 8 o'clock game against Napanee.

In the game at Gananoque with a busload of Napanee fans offering vocal support, the Tiremen although short-handed two players, Kevin Craven and Andy McGrath, came up with a great game.

The Tiremen picked up the only three penalties in the first period and the last penalty resulted in a power play goal by Gananoque at 19:30, Rex Donald scoring unassisted.

Napanee got the only goal of the second period to tie the game up at 10:15 on a power play, Tim Griffin scoring from Joe Craven. Gananoque picked up four penalties to one for Napanee in this period and deserved a few more.

In the last period Gananoque goalie Paul Delaney at the 3:16 mark caught Napanee's Terry Peters with a high stick cutting him for stitches over the eye and drew a five minute high-sticking penalty which was an automatic suspension for the remainder of the game. With no spare goalie dressed Gananoque were forced to put in forward Doug Jeffries for the remainder of the game and he proved to be good or very lucky as he kicked out 10 or 12 shots. The Tiremen picked up three minor penalties in a row but with the stellar net-minding of Dave Lochhead and fine defensive work by the whole team they were able to kill them off.

Napanee scored the winning goal at the 14:35 mark of the last period Terry Howie beating Jeffries on a pass from Terry Peters.

After Thursday night's game here against Kingston (which is Napanee's last home game before the O.M.H.A. Play-offs) the Tiremen have away games with Picton, Trenton and Kingston Township.

The Tiremen will meet Gananoque in the first round of the Juvenile "A", O.M.H.A. group play-offs and hope to have a three out of five series with them. As stated before the team ending up with the most points in league play will have the first game and also the odd game in the series. The Tiremen should be hitting their peak at play-off time and they will have to be in condition to beat the Gananoque team which they can do when they give out with a 100 per-cent team effort.

WINTER DRIVING WARNING

Snow, sleet and freezing rain mean loss of traction and when these are added to the many other hazards of winter driving you have real problems, warns the Ontario Provincial Police Detachment at Kaladar.

"Take it easy," the detachment's weekly bulletin emphasizes, "reduce speed when nearing curves, intersections, narrow bridges, railway crossings and other critical spots. You can't make a fast stop on slippery pavement."

Burn one hundred pounds of wood and you will have left less than one pound ashes.

The rental income is about $1,200.00 net annually on an investment of $8,000.00 and the asking price is $35,000.00. Call Alan Gummo at 354-5183.

HAPPINESS IS
Secluded cottages on picturesque lake in Plevna area with over 300' of beautiful shoreline. Cottages are equipped with water, bathrooms and hydro. The lake contains rainbow, speckled and lake trout. $21,000.00 buys four cottages and three aluminum boats. Call the professionals at Art Herbert, Realtor, 354-3361.

WINTER WON'T LAST FOREVER
So be prepared for the first robin, the budding of trees and bushes and planting of your own garden. Where? In the country, in a homey remodelled, four bedroom home on three acres, in the Hay Bay area. Along with the usual commodities are: a new modern kitchen, family room, formal dining room. Good drilled well and furnace. Also a good location to enjoy winter activities. Asking $27,900.00. Inquiries welcome. Phone Rose Beeler at office or 354-5741 after hours.

FINE OLD BRICK
If you fancy an old brick home on a large town lot we think you might look at this one. It has everything you want in an older home, high ceilings, lots of good woodwork, and a stairway leading to gablelit hall, and yet the services are thoroughly modern. It is very pleasingly decorated in keeping with its character, and is priced at $30,000.00. Contact Alan Gummo at 354-5183.

RESORT OPPORTUNITY
We have listed a resort on Hay Bay with approximately eight acres. It has a good shoreline, ten cottages complete with furnishings, recreation hall and a nine room house. Asking price is $69,000.00. For further details call Bob Moore at 354-3586.

Storing gasoline not recommended

With all the talk about the energy crisis and a possible gasoline shortage, some of my friends have suggested it might be an idea to stockpile gasoline. Is this safe?

No it isn't. There is a natural tendency to want to store an extra supply of gasoline for the snowmobile, or to keep five or ten gallons at the cottage for an emergency. It's hard to resist the temptation, but storing this highly volatile liquid can be quite dangerous. While even a small quantity is risky, a stockpile is equivalent to hoarding a bomb.

Pressures can release fumes

Storage of gasoline can be extremely dangerous. Gasoline fresh from underground storage tanks is always cool. As it is pumped to the surface at temperatures above 50°F it starts to warm up and expand. Remember last summer when your car gasoline tank overflowed on your driveway? This expansion also occurs in a warm garage or basement. High pressures, powerful enough to split the seams or dislodge the cap of an unapproved container, can build up, releasing the highly volatile fumes which can be ignited with a single spark. Even when stored in approved containers, gasoline vaporizes and the vapor can escape through a closure that has not been tightly closed. The vapor can be drawn by air currents to various sources of ignition such as furnace or water heater pilot lights, poor electrical connections or a lighted cigarette. Aside from the explosive nature of gasoline, it is also impractical to store because its quality can deteriorate resulting in poor engine performance.

Use only approved containers

If you must store gasoline, store it in a place separate from the house and under lock and key. Keep it away from ignition sources and small children. Children are fascinated by closed containers and have been the victims of tragedies because of their curiosity. All it takes is a spill and a source of ignition. All gasoline has to be stored in an approved container. Approved containers sold in Ontario are labeled either CSA (Canadian Standards Association) or ULC (Underwriters Laboratories of Canada) and are either plastic or metal. Older type rectangular metal unlabeled containers that are predominantly red in color, not more than ten gallons in capacity, will not leak in any position, have a carrying handle and bear a clearly legible warning that the contents are dangerous and flammable, may continue in use but are **not** recommended.

It is illegal to buy or sell a non-approved container for gasoline or naphtha.

Never, under any circumstances, use gasoline or naphtha as a cleaning solvent or fire starter. There are specific safe products on the market for these purposes, and for cleaning of paint brushes, removing floor wax, washing of grease off lawn mower or outboard or snowmobile parts.

Failure to recognize these safety rules too frequently results in disaster. Before storing gasoline check with your insurance agent. His company's liability can change if you are storing gasoline in a quantity, container or place that the company considers unsafe.

In reviewing the Agricultural industry during 1973, we are aware of the many changes and trends that have taken place. Those already engaged in agriculture in a serious vein are well aware of the changes that have affected their businesses. A trend that is quietly occurring and that busy farm people are not so aware is the transfer of farm property to non farm people or to the weekend farmer as they have so often been called.

Many people not born on a farm are dreaming of "going farming". They are at last fulfilling a life long ambition of purchasing a spread in the country where they can get away from it all. We receive inquiries weekly and in most cases, time and money are committed to an agricultural enterprise before sufficient basic knowledge has been acquired. Putting the cart before the horse is really no way to begin farming in this competitive age and the results can be rather serious.

To counter this possibility, the O.A.C. in co-operation with the Office of Continuing Education at the University of Guelph, is offering a series of courses in various Ontario locations this winter. Given either in evening lectures sessions or at home by correspondence, these courses can lead to a certificate or can be taken independantly by those wanting practical, basic information on specific areas of agriculture.

Correspondence courses would be of more interest than evening lectures for students as far removed as this area if from Guelph. Courses are available in the areas of agriculture (such as Soils, Crops, Livestock and Farm Management); Horticulture (parks, nursery, landscaping, turf, floriculture and processing crops); food processing (dairy, vegetable and meat processing); irrigation and home gardening.

A feature of this program is that the student can commence his study at any time and continue at his own speed in his home surroundings. Single enrolment fees for all courses range from $25.00 to $45.00. Detailed information is available from the Co-ordinator of Continuing Education at the University of Guelph.

WORKMEN'S COMPENSATION RATES GO UP

The Farm Safety Association has been active in the prevention of Farm accidents as its predecessor the Farm Safety Council. Their programs have been good but in spite of them, farming has the third highest accident frequency of all other occupations. With the large number of farm workers being injured each year, compensation payments have been increasing steadily. As a result of an increasing deficit over the past 3 years Workmen's Compensation Board has increased the general farming rates of $3.35 to $4.00 per $100. of payroll.

To keep rates from going higher, it would be well for all farmers to promote accident prevention whenever possible. Safety education will pay off.

$10,000 FOR GIBBARD FIELD

May use grant for local school fields

In his inaugural address, T. A. Tomkow, chairman of the Lennox and Addington County Board of Education referred to a provincial grant of $10,000 which has been received on the cost of the Gibbard Memorial Athletic Field. Mr. Tomkow said that he would personally like "to see this money used to start the development of the playing fields in our elementary schools."

In his inaugural remarks, Mr. Tomkow referred to the effect which ceilings imposed on school board spending have on the County of Lennox and Addington. Mr. Tomkow said that he agrees with the concept of ceilings being placed on educational costs but resented the fact that "less populous counties like ourselves, who in the past did not have any educational frills or in fact some essentials still find ourselves lagging behind our more populous and affluent neighbors. Nor under prevailing conditions does there appear to be any hope of catching up," he added.

While in most parts of the province, enrolments are declining, Mr. Tomkow said Lennox and Addington County finds itself in the opposite position, particularly in the Napanee and Amherstview areas. "With the Fairfield Elementary School yet to be opened, we can look forward to building

been "a morass" for both students and teachers.

"The responsibility for ongoing curriculum development is now vested in each county board. This will mean a continuing extra cost for our county, but will give us a continuously updated and relevant curriculum over which we as citizens will have come control."

Quality of education, a phrase which has been much used by various segments of the community, Mr. Tomkow said requires a competent and dedicated staff as the "most important ingredient."

He said that the county had been fortunate in this respect. "The radical militants that have created endless problems in other counties as yet stayed away from our county."

The new school board chairman said he was aware of "outside pressures" that are applied on staff members by "their various provincial organizations but I can only hope that those who sow dragon's teeth may not reap a bitter harvest."

"The introduction of the controversial Bill 274 (in the Ontario Legislature) has done little to solve the situation and it is to be hoped that the legislature can soon resolve the problem to the satisfaction of teachers and trustees," Mr. Tomkow said.

To build 20 units for senior citizens

An additional 20 senior citizen units for Napanee have been approved by the Ontario Housing Corporation, it was announced Tuesday afternoon by James A. Taylor MLA, Prince Edward-Lennox from his office at Queen's Park.

Mr. Taylor said that announcement of the approval came through the office of Hon. Robert Welch, Ontario Minister of Housing.

This brings the total number of senior citizen units approved for the town to 88. Thirty four have been completed on Water St., and another 34 are being built at the foot of Richard St. A site has not yet been

NAPANEE INDUSTRIES LTD.

No steel, layoff hits local plant

This Friday, approximately one-third of the work force of Napanee Industries Ltd., will be laid off because of the inability of the company to obtain necessary steel to meet its orders.

In making the announcement to workers at the plant last Friday, president Owen Pegg pointed out that during the last six months, the companies which supply steel to Napanee Industries Ltd., (the Steel Company of Canada Ltd., and Algoma Steel Corp. Ltd.,) have only provided 29 percent of the steel supplied to the local firm in 1972. "The output of the Canadian steel producers in 1973 was 13.6 percent higher than the 1972 output," Mr. Pegg noted in his announcement to employees.

The present work force at the plant is about 90, Mr. Pegg said and notices of a layoff have been given to 25 hourly paid employees and seven members of staff.

In his notice to employees and in letters to Prime Minister Pierre Trudeau and the federal minister of Industry, Trade and Commerce, Mr. Pegg criticized the policy of both steel firms who he said are filling export orders in preference to supplying Canadian firms. "I have constantly stressed that in continuing to export steel we are exporting jobs," Mr. Pegg said.

In his letter to Prime Minister Trudeau, on Dec. 13, Mr. Pegg pointed out that his company had just lost "a very substantial order to a foreign controlled company because of the unwillingness of the Steel Company of Canada to commit itself to supply material. We are also in imminent danger of losing a further substantial export order because of the refusal of steel companies to make any commitment in respect of shipment beyond the first quarter of 1974."

The export order which was lost as a result of the company's inability to obtain steel was valued at $3,500,000, Mr. Pegg told Hon Alistair Gillespie in a letter to the Minister of Industry, Trade and Commerce, seeking his assistance. Mr. Pegg wrote that the order would have provided employment for an additional 60 people over a period of some 15 months. "Unfortunately, none of the major steel companies was able to offer us any steel so that we could take advantage of even a portion of this contract." In his letter, dated Dec. 11, Mr. Pegg added, "We have the opportunity of obtaining a similar order valued at approximately $250,000 which would provide much needed employment in this area during the months of January and February but once again the steel companies are either unwilling or unable to make steel available."

Mr. Pegg contacted both the prime minister and the minister of Industry, Trade and Commerce but he only received brief letters of acknowledgement from the prime minister's correspondence secretary and the minister's special assistant indicating that the letters would be brought to the attention of the prime minister and the minister.

As a consequence to his firm's inability

Elect Richmond Reeve County Warden for '74

By HANK REININK

Bruce Cuthill, 54 year old Reeve of Richmond Township, was chosen the new warden of Lennox and Addington County at the inaugural meeting of the County Council on Monday. He succeeds Bruce Weese, the Reeve of Camden Township.

Mr. Cuthill has spent his entire life in the county. He was born in Adolphustown as the son of a farming family. At an early age the family moved to North Fredericksburgh, where they lived for four years, after which they moved to a farm in South Fredericksburgh. Mr. Cuthill senior bought the farm which is now operated by John Sonneveldt, and it was the senior Mr. Cuthill, who started the now famous herd of Holstein cattle, owned and operated by the Sonneveldts.

"I lived in South Fredericksburgh for 38 years," Mr. Cuthill told County Council in his inaugural address. "And I expect to return there some day, since I have four by six there." The new warden was referring to a grave site he owns in the township.

As his son and three daughters had grown up and moved away from the farm to make a living elsewhere, the dairy farm became too much work for Mr. Cuthill and his wife Hester. They sold the farm in 1962 and moved to a farm in Richmond Township, where they grew canning crops.

is located on Highway No. 2, about a mile and a half west of Napanee.

Bruce Cuthill's political involvement has spanned some 20 years. He served on the South Fredericksburgh School Board from 1953 until 1958, and in 1959 he was elected to the Township Council. In 1960 he was defeated in the township elections, but he returned to the council in 1962, the year he decided to move to Richmond Township.

In 1967 he was elected by acclamation to the Richmond Township Council, where he has served ever since. The first four years he was a councillor, the next two years he was the deputy reeve, and at present Mr. Cuthill is in his second year as reeve of the township. Warden Cuthill's philosophy about government does not leave much doubt about his feeling towards regional government. He does not like it at all.

"I would not agree with the provincial government coming in and taking the local government away from us," he told The Beaver after the inaugural meeting. "I think government should be close to the people. But I do believe that there can be more co-operation between the different townships in the county."

"This new dog pound and the dog control managed by five of the townships together is a good example," he said. "I
